Angus Chemical Company Joins IISRP as Newest Affiliate

19 January 2017, Houston, Texas. — The International Institute of Synthetic Rubber Producers, Inc. (IISRP) has elected Angus Chemical Company as their most recent Affiliate Member.

“We are extremely happy to announce the membership of Angus Chemical Company to our list of Affiliated Members”, stated Juan Ramon Salinas, Managing Director and CEO of the IISRP. The newest IISRP Affiliate is headquartered in Buffalo Grove, IL. USA and has designated Mr. John Burger as the liaison representative and Mr. Patrick Brutto as his alternate.

The IISRP is an international not-for-profit trade association with over 60 corporate members, domiciled in 22 countries, who produce 90 percent of the world's supply of synthetic rubber. Incorporated in 1960 and headquartered in Houston, Texas, the Institute supports section offices in Milan, Tokyo and Beijing.
