IISRP Enlists Newest Affiliate

26 December 2014, Houston, Texas. — The International Institute of Synthetic Rubber Producers, Inc. (IISRP) has elected Comar Chemicals Pty. as their most recent Affiliate Member.

“We are pleased to announce the membership of our first South African Affiliate, Comer Chemicals Pty.”, stated James L. McGraw, Managing Director and CEO of the IISRP. The newest IISRP Affiliate is headquartered in Cape Town, South Africa with additional manufacturing operations in Basel, Switzerland and has designated Mr. Diego German Roland as the liaison representative and Mr. Udo-Eric Eichrodt as his alternate. Comar Chemicals is a supplier of Neodymium based catalysts to the synthetic rubber industry.

The IISRP is an international not-for-profit trade association with over 60 corporate members, domiciled in 22 countries, who produce 80 percent of the world's supply of synthetic rubber. Incorporated in 1960 and headquartered in Houston, Texas, the Institute supports section offices in Milan, Tokyo and Beijing.
