IISRP Recruits New Member

12 July, 2016 Houston, Texas. — The International Institute of Synthetic Rubber Producers, Inc. (IISRP) has elected ARLANXEO USA, LLC as their newest producer member effective 1 July 2016.

“We are extremely happy to announce the membership ARLANXEO USA as our newest Producer Member”, stated Juan Ramon Salinas, Managing Director and CEO of the IISRP. ARLANXEO USA, headquartered in Pittsburgh PA, is part of joint venture of LANXESS and Saudi Aramco. Michael I. Assaf will serve as their Director to the IISRP and John Sawaya as his Alternate.

ARLANXEO’s plant in Orange, Texas produces polybutadiene rubber (BR), ethylene propylene diene rubber (EPDM), and hydrogenated nitrile butadiene rubber (HNBR).

The IISRP is an international not-for-profit trade association with over 60 corporate members, domiciled in 22 countries, who produce 80 percent of the world's supply of synthetic rubber. Incorporated in 1960 and headquartered in Houston, Texas, the Institute supports section offices in Milan, Tokyo and Beijing.
