Sasco Chemical Rejoins IISRP as Newest Affiliate

22 September 2016, Houston, Texas. — The International Institute of Synthetic Rubber Producers, Inc. (IISRP) has elected Sasco Chemical Group, Inc. as their most recent Affiliate Member.

“We are extremely happy to announce the rejoining to our membership of Sasco Chemical Group, Inc. to our list of Affiliated Members”, stated Juan Ramon Salinas, Managing Director and CEO of the IISRP. The newest IISRP Affiliate is headquartered in Albany, Georgia USA and has designated Mr. Bernd Pluimers as the liaison representative and Mr. Ed Juline as his alternate. Sasco Chemical provides anti-tack compounds used in the synthetic rubber industry as well as other industry sectors.

The IISRP is an international not-for-profit trade association with over 60 corporate members, domiciled in 22 countries, who produce 90 percent of the world's supply of synthetic rubber. Incorporated in 1960 and headquartered in Houston, Texas, the Institute supports section offices in Milan, Tokyo and Beijing.
